

BIOAKTIV®

Through constant contact with our customers, our sales team and our business partners ensure the regular exchange of results and scientific findings.

BioAktiv Team

This allows us to continuously adjust our BioAktiv products to various influences and conditions. Through close collaboration with development, testing and sales, we are able to develop new quality products for our customers.

Our new BioAktiv Hobby and BioAktiv Home products deliver a healthy and happy future for our consumers, animal lovers and passionate gardeners.

Mineral single feed stuff

BIOAKTIV® Home Pet Dog

Strengthens the immune system

Better digestion

Beautiful and shiny coat

Vitality and immune strength are essential for our favorite four-legged friends. BioAktiv Home Pet Dog supports the immune system of your dog with 100 % natural ingredients. It provides for a shiny coat, strengthens immune system components and is recommended by many dog breeders and dog owners. BioAktiv Home Pet Dog can be used year round and is mixed into the animal's food or drinking water.

BIOAKTIV® Home Pet Cat

Strengthens the immune system

Better digestion

Beautiful and shiny coat

Vitality and immune strength are essential for our beloved cats. BioAktiv Home Pet Cat supports the immune system of your cat with 100 % natural ingredients. It provides for a shiny coat, strengthens immune-system components and is recommended by many cat breeders and cat owners. BioAktiv Home Pet Cat can be used year round and is mixed into the animal's food or drinking water.
